

TECHNICAL ADVISORY

DIVISION OF MOTORIST SERVICES

| | | |
|-------------------------|---|---|
| To: | Tax Collectors and License Plate Agents | |
| Subject: | Shipping of Redesigned Miami Marlins Specialty License Plate | |
| Advisory Date: | 07/26/12 | Implementation Date: Immediately |
| Advisory Number: | R12-08 | |

PRIDE will begin shipping a limited release of the redesigned **Miami Marlins** specialty license plate on Friday, July 26, 2012. Unfortunately, the sheeting is on backorder, so the initial shipment will only include delivery to the following counties: Miami, Dade, Broward, Palm Beach, Collier, Lee, Monroe, Hendry, Putnam, Charlotte, Glades, and Martin

Remaining counties should receive their inventory with the August shipment. If your office receives a request for the new plate and your county did not receive inventory, please contact Inventory Control who will place the order from our Tallahassee office.

Please remove the old design from your inventory and begin issuing this new plate when you receive it. Each county must mark the appropriate range(s) obsolete, which will automatically transfer the range(s) to Bin 67, which is designated for obsolete inventory. Additionally, please physically remove obsolete license plates from your inventory for PRIDE to pick up when they make future deliveries.

Due to Data Center Consolidation, the image of the new design will not be available in FRVIS to view personalized plate configurations until programming can be done. The customer will see the old design when viewing the personalized configuration. This will not change the way the configuration appears on the plate. The new plate will still be a left design plate with five characters.

We apologize for any inconvenience and appreciate your cooperation. If you have any questions or need additional information, please contact the Inventory Control Section at (850) 617-2809.
