The Florida U.S. Olympic Spirit specialty license plate has been redesigned, and the name has changed to Go Team USA; however, the inventory code will remain the same. PRIDE began shipping the redesigned specialty license plate on Tuesday, September 25, 2012. Please move the old design from your inventory and begin issuing this new plate when you receive it.

Each county must mark the appropriate range(s) obsolete, which will automatically transfer the range(s) to Bin 67, which is designated for obsolete inventory. Additionally, please physically remove obsolete license plates from your inventory for PRIDE to pick up when they make future deliveries.

We appreciate your cooperation. If you have any questions or need additional information, please contact the Inventory Control Section at (850) 617-2809.
