

TECHNICAL ADVISORY

DIVISION OF MOTORIST SERVICES

To:	Tax Collectors and License Plate Agents	
Subject:	De-authorization of Presale Vouchers	
Advisory Date:	10/30/12	Implementation Date: Immediately
Advisory Number:	R12-12	

The 2010 Florida Legislature approved a presale voucher process for new specialty license plates. This procedure requires the requesting organization to sell a minimum of 1,000 vouchers within 24 months before the specialty license plate can be manufactured.

Presale vouchers for the Veterans of Foreign Wars and Children First specialty plates became available October 1, 2010. Neither of these plates has met the presale requirements. Therefore, effective October 25, 2012, presale vouchers for Veterans of Foreign Wars and Children First have been de-authorized in FRVIS and will no longer be issued to customers.

A customer who purchased either of these vouchers may request a refund (HSMV 83363, Application For License/Plate Decal Refund) or apply their presale voucher as a credit towards any other specialty license plate. Please refer to RS-67 for specific information about refunding fees.

We sincerely appreciate your cooperation. If you have questions or need additional information, please contact Field Support.
