

INFORMATION NOTICE

DIVISION OF MOTORIST SERVICES

DATE: 11/20/2013	Information Notice (INFO) RS/TL13-006
SUBJECT: Pilot Rebuilt Motor Vehicle Inspection Program	

Overview:

The 2013 Florida Legislature created section 319.141, Florida Statutes, for the implementation of a Pilot Rebuilt Motor Vehicle Inspection Program. This statute required the Department of Highway Safety and Motor Vehicles, Bureau of Motorist Services Support, Motor Vehicle Field Operations (MVFO), to set standards and certify private sector inspection facilities in Miami-Dade and Hillsborough Counties by October 1, 2013.

Details:

These standards have been set and seven private inspection facilities have been certified by the Department. There were approximately nine applications received from Dade County, **none received from Hillsborough and no other applications are being accepted for this pilot program.** The certified pilot private rebuilt vehicle inspection program facilities (PRVIP) will operate through June 30, 2015, unless new legislation extends the program. (This does not apply to any other type of vehicle inspection such as an Assembled by Parts (ASPT) or Low Speed Vehicles, rebuilt motor vehicle inspections only.)

Presently, there are seven locations approved conducting business **in the Miami area only:**

- Miami DMV LLC d/b/a/ Miami DMV Rebuilt Inspections, 9495 B NW 27th Ave, Miami, FL 33147

Telephone Number: 305-801-7440/786-399-1856
Facility Operator: Marlen Oliva

(Note: There is one pending application still being considered that may add another approved/certified facility to the above list. Updated PRVIP information shall be made available as soon as possible.)

Both the Motor Vehicle Regional Field Offices located throughout the State and the PRVIP Facilities will continue inspecting rebuilt vehicles according to the established T & L 37 procedure. A passed rebuilt inspection is required prior to the issuance of a rebuilt title. Like the Motor Vehicle Regional Field Offices, and the procedure, when the PRVIP certified facility inspector inspects and passes a rebuilt motor vehicle, the customer's required documentation shall be placed in a sealed envelope and stamped with the PRVIP stamp that shall include the business name and R-10 or Region 10 representing the Miami location.

Conclusion:

For any questions related to a rebuilt motor vehicle inspection or rebuilt documentation conducted in the Miami area, please contact the local MV Regional Office in Miami – Region 10 or the PRVIP Facility who will be working closely with the MV Regional Office in Miami.
