DIVISION OF MOTORIST SERVICES

DATE: 11/15/2013	Technical Advisory RS/TL13-009
SUBJECT: Pre-Sale Voucher Requirement For Freemasonry Specialty License Plate Met	

Overview:

The pre-sale requirement of 1,000 vouchers has been met for the Freemasonry specialty license plate.

Details:

Effective immediately, offices no longer need to offer pre-sale vouchers. However, if a customer wishes to purchase a Freemasonry voucher, you may continue to sell them.

At this time, the department does not have a fixed delivery date for the new plate; however, we anticipate it will be available in April 2014.

At the appropriate time, the department will notify voucher customers when the plate will be available at their local county tax collector office.
