

TECHNICAL ADVISORY

DIVISION OF MOTORIST SERVICES

DATE: 03/06/2014	Technical Advisory (TA) Number RS/TL14-005
SUBJECT: Lauren’s Kids Specialty License Plate Shipped	

Overview:

The 2013 Legislature approved the “Lauren’s Kids” Specialty License Plate.

Details:

PRIDE has manufactured these license plates and began shipping them to tax collector offices on March 5, 2014. The license plates should be in the counties by tomorrow, March 7, 2014.

As soon as you receive your license plates, you may accept them into your inventory and begin issuing them. The annual use fee for this new specialty license plate is \$25.00.

The Department has updated FRVIS with the inventory codes LKR, LKP, and LKA for the Lauren’s Kids Specialty License Plate. This will allow tax collector offices to issue the plate in FRVIS.

The license plate is available for sale, and customers may redeem their presale vouchers.

Conclusion:

We appreciate your patience. If you have any questions or need additional information, please contact the Inventory Control Section at (850) 617-2807 or (850) 617-2809.
