SUBJECT: Senate Bill 132 and Specialty License Plate Vouchers	

Overview:

The 2014 Legislature passed Senate Bill 132 authorizing presale vouchers for four new specialty license plates effective October 1, 2014.

Details:

Beginning October 1, 2014, **Fallen Law Enforcement Officers, Florida Sheriffs Association, Keiser University, and Moffitt Cancer Center** will be offered as presale vouchers for a fee of 25.00 each.

Within 24 months, the specialty license plate organization must record a minimum of 1,000 voucher sales before the department will manufacture the license plates.

We added these four specialty license plates to RS-67, Presale Specialty License Plate Vouchers.

Additionally, Senate Bill 132 revised the distribution of annual use fees to the Astronauts Memorial Foundation, Inc., for the Challenger/Columbia specialty license plate. We revised this information in RS-22, Specialty License Plates.
