

TECHNICAL ADVISORY

DIVISION OF MOTORIST SERVICES

<b>DATE:</b> January 22, 2015	<b>Technical Advisory RS/TL15-001</b>
<b>SUBJECT: Shipping Redesigned Florida State University Specialty License Plate</b>	

**Overview:**

PRIDE will begin shipping the redesigned **Florida State University** specialty license plate on January 28, 2015. All license plates will be delivered by February 3, 2015. Please remove the old design from your inventory and begin issuing this new plate when you receive it.

**Details:**

Each county must mark the appropriate range(s) obsolete, which will automatically transfer the range(s) to Bin 67, which is designated for obsolete inventory. Additionally, please physically remove obsolete license plates from your inventory for PRIDE to pick up when they make future deliveries.

The redesigned Florida State University specialty license plate is shown below.

**Conclusion:**

We realize a number of counties were running low on these license plates. We were able to work with PRIDE to expedite the order to ensure we have adequate supply of the license plates statewide. We do appreciate your cooperation and patience. If you have any questions or need additional information, please contact the Inventory Control Section at (850) 617-2809.
