

DATE: 09/19/24	Technical Advisory (TA) RSTL 24-017
SUBJECT: Redesigned Specialty License Plate - Tampa Bay Buccaneers	

Overview:

At the request of the organization, the Tampa Bay Buccaneers specialty license plate has entered into the redesign process. FLHSMV continues to work with the organization to redesign the current plate.

Details:

At this time, a final design has not been approved by the organization and FLHSMV will be accepting orders for the current Tampa Bay Buccaneers specialty license plate until a final design is approved. The inventory codes are listed with the image below.

Conclusion:

If you need additional information, please contact the inventory control unit at InventoryControlUnit@flhsmv.gov.
