SUBJECT: Voucher Requirement Met – K9s United and Swim for Life Specialty License Plates	

Overview:

The K9s United and Swim for Life specialty license plates have met the voucher requirement. Purchasing pre-sale vouchers is no longer required for these license plates to meet the requirements.

Details:

After the initial order of license plates is placed, we will change the Sales Status Code from **P-Authorized for Pre-Sale** to **D-De-Authorized**.

To ensure we provide an adequate supply of license plates, the Sales Status Code will only change to **D-De-Authorized** until the license plates are shipped.

Once the license plates are shipped to the county tax collector offices the status will be changed to **A-Authorized for Sale**. The inventory codes for personalized and amateur radio license plates will also be available at that time. After the initial order is received, offices can place additional orders.

We do not have a delivery date yet, but anticipate the plates will be shipped to the county tax collector offices within the next 4-5 months.

The license plate is NOT deauthorized, the code will only be changed temporarily to allow for manufacturing and shipping.

Conclusion: If you need additional information, please contact your next level of management or the Inventory Control Unit, InventoryControlUnit@flhsmv.gov or 850-617-2900.
