**Details:**

On November 1, 2024, the specialty license plate for the above organizations will be discontinued. Please remove all inventory from your offices and PRIDE will pick it up on future deliveries.

A vehicle owner or lessee issued a specialty license plate that has been discontinued may keep their discontinued specialty license plate for the remainder of the 10-year license plate replacement cycle. They will no longer be charged the annual specialty license plate fee that FLHSMV distributes to the organizations. All other applicable registration fees will continue to be collected during the annual renewal period. No original, replacement or personalized license plate reservation transactions can be performed. If the customer chooses to switch to a different license plate before the end of their 10-year license plate cycle, all applicable fees will be charged.

Additionally, the gift certificate voucher for these specialty license plates is deauthorized and are no longer available to customers.
