| Other                                | <input type="radio"/>            | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> |

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in Belle Isle.

*This question was not displayed to the respondent.*

Q19.

Were any existing red light cameras relocated within Belle Isle during the reporting period of **July 1, 2023, through June 30, 2024**?

- Yes
- No

Q20. How many cameras were relocated?

*This question was not displayed to the respondent.*

Q21. Why were the cameras relocated?

*This question was not displayed to the respondent.*

Q22. What **factors** are used to determine the **success or failure of each camera location** within Belle Isle? Please select all that apply.

- Number of crashes
- Pedestrian safety
- Revenue
- Other, please specify

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within Belle Isle? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q24. Who **reviews contested Notices of Violation** within Belle Isle? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q25. Who **issues Uniform Traffic Citations** in Belle Isle if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q26. Does Belle Isle **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

- Yes
- No

Q27. How many **Notices of Violation** were issued within Belle Isle **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?

If you do not know, please leave this field blank.

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by Belle Isle when determining if a violation should be issued.**

Vehicle does not come to a complete stop given time to observe traffic in a careful and prudent manner.

Q29. What **action(s)** has Belle Isle taken **to improve safety measures** as a result of your red light camera program? If Belle Isle has not taken an action which is listed, please select N/A.

| Other                                | <input type="radio"/>            | <input type="radio"/>            | <input type="radio"/> | <input checked="" type="radio"/> |

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in Crestview.

*This question was not displayed to the respondent.*

Q19.

Were any existing red light cameras relocated within Crestview during the reporting period of **July 1, 2023, through June 30, 2024**?

- Yes
- No

Q20. How many cameras were relocated?

*This question was not displayed to the respondent.*

Q21. Why were the cameras relocated?

*This question was not displayed to the respondent.*

Q22. What **factors** are used to determine the **success or failure of each camera location** within Crestview? Please select all that apply.

- Number of crashes
- Pedestrian safety
- Revenue
- Other, please specify

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within Crestview? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Non-sworn Community Service Aide

Q24. Who **reviews contested Notices of Violation** within Crestview? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

non-sworn community service aide

Q25. Who **issues Uniform Traffic Citations** in Crestview if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q26. Does Crestview **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

- Yes
- No

Q27. How many **Notices of Violation** were issued within Crestview **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?

If you do not know, please leave this field blank.

*This question was not displayed to the respondent.*

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by Crestview when determining if a violation should be issued**

Q29. What **action(s)** has Crestview taken **to improve safety measures** as a result of your red light camera program? If Crestview has not taken an action which is listed, please select N/A.

Q30. Please describe any other **action(s)** that Davie has taken **to improve safety measures** as a result of your red light camera program.

We had our vendor replace all of the mast arm Red Light Camera warning signs this year. We provided extensive data to Broward County Traffic Engineering requesting the turn lane at DAV17 - Stirling Rd and Davie Rd Extension to make the turn lane a solid red signal from its current configuration which allows vehicles to turn Left on a green signal after it changed from a red signal, IF the intersection is clear of vehicles. We made this request after documenting over a dozen serious injury crashes and one traffic fatality due to drivers turning left and being involved in crashes with vehicles who had the right of way while traveling on a green light in the East and West bound lanes of Stirling Road. This request is still being evaluated by Broward County Traffic Engineers and we are confident they will concur with our request.

Q31. Has **red light camera footage** been used to **investigate other crimes or cases** not related to red light violations within Davie?

- Yes
- No

Q32. Please describe the **other situations in which red light cameras** have been used within Davie. Select all that apply.

- Crash Investigations

Criminal Investigations

Missing Persons

Other, please specify:

Q33. Has Davie **conducted** an independent **red light camera analysis**?

Yes

No

Q34. Please provide any additional **specifications or clarifications for any of your responses** to this survey.

DAV10 which is located at S. University Drive and Nova Drive was struck by a vehicle and damaged. It was knocked out of service from December 27, 2023 until August 1, 2024. It was not operational for issuing violations or retrieving video. This is a very busy intersection where over 60,000 vehicles a day traverse. So during this reporting period, this is the reason we were down one intersection and one camera for six months of this reporting period. It is now back to being operational.

Q35. Is Davie **continuing its red light camera program** in this fiscal reporting year, **July 1, 2024, through June 30, 2025**?

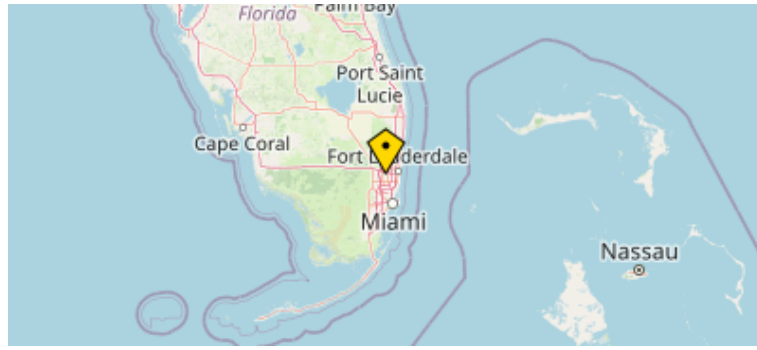

Yes

No

*This question was not displayed to the respondent.*

Q7. What **red light camera vendor(s)** does Florida City use? Please select any you may have used during the reporting period, **July 1, 2023, through June 30, 2024.**

American Traffic Solutions (ATS)

Redflex

Conduent

Sensys Gatso

Novoa Global

Verra Mobility

Redspeed

Other, please specify:

Q8. **As of July 1, 2023**, how many **red light cameras** were operational in Florida City?

Q9. **As of June 30, 2024**, how many **red light cameras** were operational in Florida City?

Q10. **As of July 1, 2023**, at how many **intersections** were red light cameras operational in Florida City?

Q11. **As of June 30, 2024**, at how many **intersections** were red light cameras operational in Florida City?

Q12. Please provide the following information regarding **Notices of Violation** issued for red light camera violations in Florida City during the reporting period of **July 1, 2023, through June 30, 2024.**

Total Notices of Violation Issued

Notices of Violation Paid

Notices of Violation Contested, but Pending Final Outcome

Notices of Violation Contested and Dismissed

Notices of Violation Contested and Upheld

Notices of Violation that Resulted in Uniform Traffic Citations Being Issued

Notice of Violation Pending Issuance as Uniform Traffic Citations

Q13. How many **registration holds** did Florida City request as a result of red light camera violations during the reporting period of **July 1, 2023, through June 30, 2024**? If you do not know, please leave this field blank.

Q14. How does Florida City **submit traffic crash data** to the Florida Department of Highway Safety and Motor Vehicles?

- All Electronically
- All Paper
- Both

Q15. Have **court cases** impacted Florida City's **red light camera program**?

- Yes
- No

Q16. Please explain how court cases have impacted Florida City's red light camera program.

YES, THEY HAVE HELPED BRING MORE REVENUE

Q17. Please **rate** the following **factors by importance** when selecting which **intersections to install red light cameras** in Florida City.

|                                      | Very Important                   | Somewhat Important    | Not Important         | N/A                   |
|--------------------------------------|----------------------------------|-----------------------|-----------------------|-----------------------|
| Traffic Citation Data                | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Citizen Complaints                   | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Law Enforcement Officer Observations | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Traffic Volume                       | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Pedestrian Safety                    | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Traffic Crash Data                   | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in Florida City.

*This question was not displayed to the respondent.*

Q19. Were any existing red light cameras relocated within Florida City during the reporting period of **July 1, 2023, through June 30, 2024**?

- Yes
- No

Q20. How many cameras were relocated?

*This question was not displayed to the respondent.*

Q21. Why were the cameras relocated?

*This question was not displayed to the respondent.*

Q22. What **factors** are used to determine the **success or failure of each camera location** within Florida City? Please select all that apply.

- Number of crashes
- Pedestrian safety
- Revenue
- Other, please specify

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within Florida City? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)

Other, please specify

Q24. Who **reviews contested Notices of Violation** within Florida City? Please select all that apply.

Law Enforcement Officer

Non-sworn Government Employee

Non-sworn Contractor Employee (Vendor)

Other, please specify

Q25. Who **issues Uniform Traffic Citations** in Florida City if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

Law Enforcement Officer

Non-sworn Government Employee

Non-sworn Contractor Employee (Vendor)

Other, please specify

Q26. Does Florida City **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

Yes

No

Q27. How many **Notices of Violation** were issued within Florida City **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?

If you do not know, please leave this field blank.

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by Florida City when determining if a violation should be issued.**

WE USE BRQ AND OUR DISCRETION TO DETERMINE WHAT IS A CAREFUL AND PRUDENT TURN.

Q29. What **action(s)** has Florida City taken **to improve safety measures** as a result of your red light camera program? If Florida City has not taken an action which is listed, please select N/A.

|                                             | At intersections <b>with</b> red light cameras | At intersections <b>without</b> red light cameras | N/A                                 |

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in Gulf Breeze.

*This question was not displayed to the respondent.*

Q19.

Were any existing red light cameras relocated within Gulf Breeze during the reporting period of **July 1, 2023, through June 30, 2024**?

- Yes
- No

Q20. How many cameras were relocated?

*This question was not displayed to the respondent.*

Q21. Why were the cameras relocated?

*This question was not displayed to the respondent.*

Q22. What **factors** are used to determine the **success or failure of each camera location** within Gulf Breeze? Please select all that apply.

- Number of crashes
- Pedestrian safety
- Revenue
- Other, please specify

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within Gulf Breeze? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q24. Who **reviews contested Notices of Violation** within Gulf Breeze? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q25. Who **issues Uniform Traffic Citations** in Gulf Breeze if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q26. Does Gulf Breeze **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

- Yes
- No

Q27. How many **Notices of Violation** were issued within Gulf Breeze **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?  
If you do not know, please leave this field blank.

*This question was not displayed to the respondent.*

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by Gulf Breeze when determining if a violation should be issued**.

Q29. What **action(s)** has Gulf Breeze taken **to improve safety measures** as a result of your red light camera program? If Gulf Breeze has not taken an action which is listed, please select N/A.

| Other                                | <input type="radio"/>            | <input type="radio"/>            | <input type="radio"/> | <input checked="" type="radio"/> |

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in Lakeland.

*This question was not displayed to the respondent.*

Q19.

Were any existing red light cameras relocated within Lakeland during the reporting period of **July 1, 2023, through June 30, 2024**?

Yes

No

Q20. How many cameras were relocated?

01

Q21. Why were the cameras relocated?

Logistical Upgrade for the camera was not supported, pole that held the camera could not be moved and any upgrade to the camera was not available.

Q22. What **factors** are used to determine the **success or failure of each camera location** within Lakeland? Please select all that apply.

Number of crashes

Pedestrian safety

Revenue

Other, please specify

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within Lakeland? Please select all that apply.

Law Enforcement Officer

- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q24. Who **reviews contested Notices of Violation** within Lakeland? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q25. Who **issues Uniform Traffic Citations** in Lakeland if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q26. Does Lakeland **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

- Yes
- No

Q27. How many **Notices of Violation** were issued within Lakeland **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?

If you do not know, please leave this field blank.

2275

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by Lakeland when determining if a violation should be issued**.

We follow the Florida State Statute and our BRQ's while reviewing each violation to determine if the violation was safe and prudent.

Q29. What **action(s)** has Lakeland taken **to improve safety measures** as a result of your red light camera program? If Lakeland has not taken an action which is listed, please select N/A.

| Email Address:                  | [REDACTED]                      |
| Phone Number:                   | [REDACTED]                      |
| Phone Extension, if applicable: | [REDACTED]                      |

Q2. Please select the jurisdiction (city or county) you represent:

Miami Gardens ▼

Q3. Did your jurisdiction **operate red light cameras** within the reporting period of **July 1, 2023 through June 30, 2024**?

- Yes  
 No

Q4. What department oversees the red light camera program in Miami Gardens?

Example: Police Department, Sheriff's Office, Code Enforcement, Traffic Unit, etc.

Traffic Unit

Q5. Did Miami Gardens **discontinue its red light camera program** during the reporting period, **July 1, 2023 through June 30, 2024**?

- Yes  
 No

Q6. Please enter the date that Miami Gardens discontinued its program.

*This question was not displayed to the respondent.*

Q7. What **red light camera vendor(s)** does Miami Gardens use? Please select any you may have used during the reporting period, **July 1, 2023, through June 30, 2024**.

American Traffic Solutions (ATS)

Redflex

Conduent

Sensys Gatso

Novoa Global

Verra Mobility

Redspeed

Other, please specify:

Q8. **As of July 1, 2023**, how many **red light cameras** were operational in Miami Gardens?

24

Q9. **As of June 30, 2024**, how many **red light cameras** were operational in Miami Gardens?

13

Q10. **As of July 1, 2023**, at how many **intersections** were red light cameras operational in Miami Gardens?

15

Q11. **As of June 30, 2024**, at how many **intersections** were red light cameras operational in Miami Gardens?

10

Q12. Please provide the following information regarding **Notices of Violation** issued for red light camera violations in Miami Gardens during the reporting period of **July 1, 2023, through June 30, 2024**.

Total Notices of Violation Issued

50402

Notices of Violation Paid

24857

Notices of Violation Contested, but Pending Final Outcome

44

Notices of Violation Contested and Dismissed

169

Notices of Violation Contested and Upheld

259

Notices of Violation that Resulted in Uniform Traffic Citations Being Issued

16577

Notice of Violation Pending Issuance as Uniform Traffic Citations

9999999

Q13. How many **registration holds** did Miami Gardens request as a result of red light camera violations during the reporting period of **July 1, 2023, through June 30, 2024**? If you do not know, please leave this field blank.

Q14. How does Miami Gardens **submit traffic crash data** to the Florida Department of Highway Safety and Motor Vehicles?

- All Electronically
- All Paper
- Both

Q15. Have **court cases** impacted Miami Gardens's **red light camera program**?

- Yes
- No

Q16. Please explain how court cases have impacted Miami Gardens's red light camera program.

We have experienced higher level of hearings due to inaccurate reporting of information by the media; stating that the cameras were taken down and ruled by the courts to be illegal.

Q17. Please **rate** the following **factors by importance** when selecting which **intersections to install red light cameras** in Miami Gardens.

|                                      | Very Important                   | Somewhat Important               | Not Important         | N/A                   |
|--------------------------------------|----------------------------------|----------------------------------|-----------------------|-----------------------|
| Traffic Citation Data                | <input type="radio"/>            | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Citizen Complaints                   | <input type="radio"/>            | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Law Enforcement Officer Observations | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/> | <input type="radio"/> |
| Traffic Volume                       | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/> | <input type="radio"/> |
| Pedestrian Safety                    | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/> | <input type="radio"/> |
| Traffic Crash Data                   | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/> | <input type="radio"/> |

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in Miami Gardens.

*This question was not displayed to the respondent.*

Q19.

Were any existing red light cameras relocated within Miami Gardens during the reporting period of **July 1, 2023, through June 30, 2024**?

Yes

No

Q20. How many cameras were relocated?

*This question was not displayed to the respondent.*

Q21. Why were the cameras relocated?

*This question was not displayed to the respondent.*

Q22. What **factors** are used to determine the **success or failure of each camera location** within Miami Gardens? Please select all that apply.

Number of crashes

Pedestrian safety

Revenue

Other, please specify

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within Miami Gardens? Please select all that apply.

Law Enforcement Officer

Non-sworn Government Employee

Non-sworn Contractor Employee (Vendor)

Other, please specify

Q24. Who **reviews contested Notices of Violation** within Miami Gardens? Please select all that apply.

Law Enforcement Officer

Non-sworn Government Employee

Non-sworn Contractor Employee (Vendor)

Other, please specify

Q25. Who **issues Uniform Traffic Citations** in Miami Gardens if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

Law Enforcement Officer

Non-sworn Government Employee

Non-sworn Contractor Employee (Vendor)

Other, please specify

Q26. Does Miami Gardens **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

Yes

No

Q27. How many **Notices of Violation** were issued within Miami Gardens **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?

If you do not know, please leave this field blank.

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by Miami Gardens when determining if a violation should be issued.**

A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a careful and prudent manner at an intersection where right hand turns are permissible. A notice of violation and a traffic citation may not be issued under this section if the driver of a vehicle came to a complete stop after crossing the stop line and before turning right if permissible at a red light, but failed to stop before crossing over the stop line or other point at which a stop is required.

Q29. What **action(s)** has Miami Gardens taken **to improve safety measures** as a result of your red light camera program? If Miami Gardens has not taken an action which is listed, please select N/A.

Notices of Violation Contested and Dismissed

Notices of Violation Contested and Upheld

Notices of Violation that Resulted in Uniform Traffic Citations Being Issued

Notice of Violation Pending Issuance as Uniform Traffic Citations

Q13. How many **registration holds** did New Port Richey request as a result of red light camera violations during the reporting period of **July 1, 2023, through June 30, 2024**? If you do not know, please leave this field blank.

Q14. How does New Port Richey **submit traffic crash data** to the Florida Department of Highway Safety and Motor Vehicles?

- All Electronically
- All Paper
- Both

Q15. Have **court cases** impacted New Port Richey's **red light camera program**?

- Yes
- No

Q16. Please explain how court cases have impacted New Port Richey's red light camera program.

*This question was not displayed to the respondent.*

Q17. Please **rate** the following **factors by importance** when selecting which **intersections to install red light cameras** in New Port Richey.

|                                      | Very Important                   | Somewhat Important    | Not Important         | N/A                   |
|--------------------------------------|----------------------------------|-----------------------|-----------------------|-----------------------|
| Traffic Citation Data                | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Citizen Complaints                   | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Law Enforcement Officer Observations | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Traffic Volume                       | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Pedestrian Safety                    | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Traffic Crash Data                   | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |
| Other                                | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/> | <input type="radio"/> |

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in New Port Richey.

*This question was not displayed to the respondent.*

Q19.

Were any existing red light cameras relocated within New Port Richey during the reporting period of **July 1, 2023, through June 30, 2024**?

- Yes
- No

Q20. How many cameras were relocated?

*This question was not displayed to the respondent.*

Q21. Why were the cameras relocated?

*This question was not displayed to the respondent.*

Q22. What **factors** are used to determine the **success or failure of each camera location** within New Port Richey? Please select all that apply.

- Number of crashes
- Pedestrian safety
- Revenue
- Other, please specify

Use of cameras during traffic crashes, criminal investigations.

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within New Port Richey? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q24. Who **reviews contested Notices of Violation** within New Port Richey? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q25. Who **issues Uniform Traffic Citations** in New Port Richey if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q26. Does New Port Richey **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

- Yes
- No

Q27. How many **Notices of Violation** were issued within New Port Richey **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?  
If you do not know, please leave this field blank.

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by New Port Richey when determining if a violation should be issued.**

If review of the red-light camera clearly shows failure to make a right-hand turn in a careful and prudent manner a notice of violation may be issued.

Q29. What **action(s)** has New Port Richey taken **to improve safety measures** as a result of your red light camera program? If New Port Richey has not taken an action which is listed, please select N/A.

|                                             | At intersections <b>with</b> red light cameras | At intersections <b>without</b> red light cameras | N/A                                 |

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in Ocoee.

*This question was not displayed to the respondent.*

Q19.

Were any existing red light cameras relocated within Ocoee during the reporting period of **July 1, 2023, through June 30, 2024**?

Yes

No

Q20. How many cameras were relocated?

*This question was not displayed to the respondent.*

Q21. Why were the cameras relocated?

*This question was not displayed to the respondent.*

Q22. What **factors** are used to determine the **success or failure of each camera location** within Ocoee? Please select all that apply.

Number of crashes

Pedestrian safety

Revenue

Other, please specify

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within Ocoee? Please select all that apply.

Law Enforcement Officer

Non-sworn Government Employee

Non-sworn Contractor Employee (Vendor)

Other, please specify

Q24. Who **reviews contested Notices of Violation** within Ocoee? Please select all that apply.

Law Enforcement Officer

Non-sworn Government Employee

Non-sworn Contractor Employee (Vendor)

Other, please specify

Q25. Who **issues Uniform Traffic Citations** in Ocoee if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

Law Enforcement Officer

Non-sworn Government Employee

Non-sworn Contractor Employee (Vendor)

Other, please specify

Q26. Does Ocoee **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

Yes

No

Q27. How many **Notices of Violation** were issued within Ocoee **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?

If you do not know, please leave this field blank.

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by Ocoee when determining if a violation should be issued.**

In the review process we identify vehicles travelling 12mph or less to be careful and prudent in our business rules. Furthermore, any vehicle that stops before the apex of the curve is considered not to be in violation. We fall back on F.S.S. 316.074.

Q29. What **action(s)** has Ocoee taken **to improve safety measures** as a result of your red light camera program? If Ocoee has not taken an action which is listed, please select N/A.

Q2. Please select the jurisdiction (city or county) you represent:

Opa-locka ▼

Q3. Did your jurisdiction **operate red light cameras** within the reporting period of **July 1, 2023 through June 30, 2024**?

- Yes
- No

Q4. What department oversees the red light camera program in Opa-locka?

Example: Police Department, Sheriff's Office, Code Enforcement, Traffic Unit, etc.

Traffic Unit

Q5. Did Opa-locka **discontinue its red light camera program** during the reporting period, **July 1, 2023 through June 30, 2024**?

- Yes
- No

Q6. Please enter the date that Opa-locka discontinued its program.

*This question was not displayed to the respondent.*

Q7. What **red light camera vendor(s)** does Opa-locka use? Please select any you may have used during the reporting period, **July 1, 2023, through June 30, 2024**.

American Traffic Solutions (ATS)

Redflex

Conduent

Sensys Gatso

Novoa Global

Verra Mobility

Redspeed

Other, please specify:

Q8. **As of July 1, 2023**, how many **red light cameras** were operational in Opa-locka?

Q9. **As of June 30, 2024**, how many **red light cameras** were operational in Opa-locka?

Q10. **As of July 1, 2023**, at how many **intersections** were red light cameras operational in Opa-locka?

Q11. **As of June 30, 2024**, at how many **intersections** were red light cameras operational in Opa-locka?

Q12. Please provide the following information regarding **Notices of Violation** issued for red light camera violations in Opa-locka during the reporting period of **July 1, 2023, through June 30, 2024**.

Total Notices of Violation Issued

Notices of Violation Paid

Notices of Violation Contested, but Pending Final Outcome

Notices of Violation Contested and Dismissed

Notices of Violation Contested and Upheld

Notices of Violation that Resulted in Uniform Traffic Citations Being Issued

Notice of Violation Pending Issuance as Uniform Traffic Citations

Q13. How many **registration holds** did Opa-locka request as a result of red light camera violations during the reporting period of **July 1, 2023, through June 30, 2024**? If you do not know, please leave this field blank.

Q14. How does Opa-locka **submit traffic crash data** to the Florida Department of Highway Safety and Motor Vehicles?

- All Electronically
- All Paper
- Both

Q15. Have **court cases** impacted Opa-locka's **red light camera program**?

- Yes
- No

Q16. Please explain how court cases have impacted Opa-locka's red light camera program.

County Courts still have challenges due to the safe and prudent verbiage which allows for different opinions. A standard needs to be created to remove the personal individual opinion of what safe and prudent means. Too many arguments and open to interpretation of individual magistrates just trying to clear calendars. Some magistrates are not reviewing Right turns and just dismissing without proper hearing.

Q17. Please **rate** the following **factors by importance** when selecting which **intersections to install red light cameras** in Opa-locka.

|                                      | Very Important                   | Somewhat Important               | Not Important         | N/A                   |
|--------------------------------------|----------------------------------|----------------------------------|-----------------------|-----------------------|

| Other                                | <input type="radio"/>            | <input type="radio"/>            | <input type="radio"/> | <input checked="" type="radio"/> |

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in Orange Park.

*This question was not displayed to the respondent.*

Q19.

Were any existing red light cameras relocated within Orange Park during the reporting period of **July 1, 2023, through June 30, 2024**?

- Yes
- No

Q20. How many cameras were relocated?

*This question was not displayed to the respondent.*

Q21. Why were the cameras relocated?

*This question was not displayed to the respondent.*

Q22. What **factors** are used to determine the **success or failure of each camera location** within Orange Park? Please select all that apply.

- Number of crashes
- Pedestrian safety
- Revenue
- Other, please specify

Traffic crash injuries and fatalities at an intersection within the crosswalk area.

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within Orange Park? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q24. Who **reviews contested Notices of Violation** within Orange Park? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Magistrate.

Q25. Who **issues Uniform Traffic Citations** in Orange Park if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q26. Does Orange Park **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

- Yes
- No

Q27. How many **Notices of Violation** were issued within Orange Park **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?  
If you do not know, please leave this field blank.

73

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by Orange Park when determining if a violation should be issued.**

These violations are issued when a driver uses the bicycle lane to make a right hand turn on the passenger side of another vehicle in the right lane and doesn't turn in a careful prudent manner.

Q29. What **action(s)** has Orange Park taken **to improve safety measures** as a result of your red light camera program? If Orange Park has not taken an action which is listed, please select N/A.

|                                             | At intersections <b>with</b> red light cameras | At intersections <b>without</b> red light cameras | N/A                                 |

| Education and Outreach                      | <input type="checkbox"/>                       | <input type="checkbox"/>                          | <input checked="" type="checkbox"/> |
| Engineering, Roadway/Geometric              | <input type="checkbox"/>                       | <input type="checkbox"/>                          | <input checked="" type="checkbox"/> |
| Engineering, Signalization/Operations       | <input type="checkbox"/>                       | <input type="checkbox"/>                          | <input checked="" type="checkbox"/> |
| Increased other type of signage             | <input type="checkbox"/>                       | <input type="checkbox"/>                          | <input checked="" type="checkbox"/> |
| Increased red light camera-specific signage | <input type="checkbox"/>                       | <input type="checkbox"/>                          | <input checked="" type="checkbox"/> |
| Lighting                                    | <input type="checkbox"/>                       | <input type="checkbox"/>                          | <input checked="" type="checkbox"/> |
| Re-striping                                 | <input type="checkbox"/>                       | <input type="checkbox"/>                          | <input checked="" type="checkbox"/> |
| Other                                       | <input type="checkbox"/>                       | <input type="checkbox"/>                          | <input checked="" type="checkbox"/> |

Q30. Please describe any other **action(s)** that Orange Park has taken **to improve safety measures** as a result of your red light camera program.

We have used speed trailers and message board trailers at various locations around the Town to help improve driver safety.

Q31. Has **red light camera footage** been used to **investigate other crimes or cases** not related to red light violations within Orange Park?

- Yes
- No

Q32. Please describe the **other situations in which red light cameras** have been used within Orange Park. Select all that apply.

- Crash Investigations
- Criminal Investigations
- Missing Persons
- Other, please specify:

Q33. Has Orange Park **conducted** an independent **red light camera analysis**?

- Yes
- No

Q34. Please provide any additional **specifications or clarifications for any of your responses** to this survey.

The Town has installed 10 radar speed signs throughout the Town to help reduce speeding. Other data to consider – July 1, 2023, through June 30, 2024. The total vehicle count through these RLC intersections was 35,410,268. Vehicle count from July 2023 through December 2023 was 16,836,129. Vehicle count from January 2024 through June 2024 was 18,547,139. The percentage of drivers who received a violation from that vehicle count was 0.05 %. The recidivism rate was 95.17% one violation, 4.33% two violations, and 0.5% three violations.

Q35. Is Orange Park **continuing its red light camera program** in this fiscal reporting year, **July 1, 2024, through June 30, 2025?**

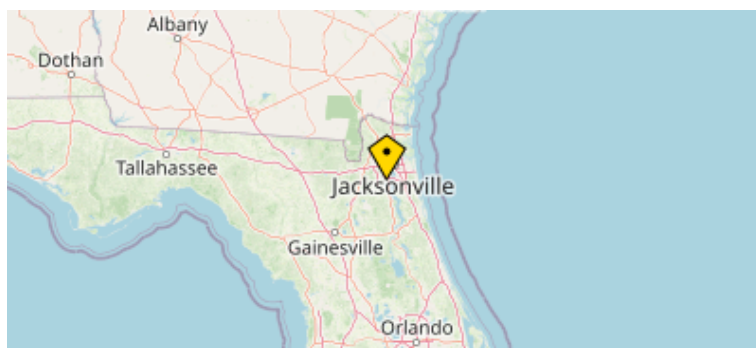

Yes

No

**Location Data**

**Location:** [\(30.161, -81.7311\)](#)

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in Orlando .

*This question was not displayed to the respondent.*

Q19.

Were any existing red light cameras relocated within Orlando during the reporting period of **July 1, 2023, through June 30, 2024**?

- Yes
- No

Q20. How many cameras were relocated?

*This question was not displayed to the respondent.*

Q21. Why were the cameras relocated?

*This question was not displayed to the respondent.*

Q22. What **factors** are used to determine the **success or failure of each camera location** within Orlando ? Please select all that apply.

- Number of crashes
- Pedestrian safety
- Revenue
- Other, please specify

Obtaining feedback from the neighboring citizens is very important. The buy-in of the community determines the success or failure of each camera location. Reducing the number of angle crashes (T-Bone) at the intersection due to red light running is the most targeted goal. Angle crashes have the highest probability of causing serious physical injuries and or fatalities. Cameras have been studied and shown to reduce all types of crashes. Community involvement in the process is where it starts and ends.

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within Orlando ? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)

Other, please specify

Orlando Police Department- utilizes only State of Florida Certified Traffic Infraction Enforcement Officers with previous sworn Law Enforcement experience.

Q24. Who **reviews contested Notices of Violation** within Orlando ? Please select all that apply.

Law Enforcement Officer

Non-sworn Government Employee

Non-sworn Contractor Employee (Vendor)

Other, please specify

The City of Orlando utilizes a special contracted magistrate/Hearing Officer to review and adjudicate all contested Notices of Violations.

Q25. Who **issues Uniform Traffic Citations** in Orlando if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

Law Enforcement Officer

Non-sworn Government Employee

Non-sworn Contractor Employee (Vendor)

Other, please specify

Orlando Police Department- utilizes only State of Florida Certified Traffic Infraction Enforcement Officers with previous sworn Law Enforcement experience.

Q26. Does Orlando **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

Yes

No

Q27. How many **Notices of Violation** were issued within Orlando **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?

If you do not know, please leave this field blank.

This question was not displayed to the respondent.

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by Orlando when determining if a violation should be issued**.

This question was not displayed to the respondent.

Q29. What **action(s)** has Orlando taken **to improve safety measures** as a result of your red light camera program? If Orlando has not taken an action which is listed, please select N/A.

|                                             | At intersections <b>with</b> red light cameras | At intersections <b>without</b> red light cameras | N/A                                 |

Q30. Please describe any other **action(s)** that Orlando has taken **to improve safety measures** as a result of your red light camera program.

The City of Orlando has adopted Vision Zero Orlando, a traffic safety initiative with the policy goal of zero pedestrian and bicycle fatalities by 2040. Revenue (after the program expenses) is utilized for traffic safety improvements supporting our Vision Zero goal throughout the City of Orlando. The Vision Zero concept has led the city to engineer a new roadway application with red light cameras at intersections. The City of Orlando placed reflective back plates at the traffic signal for optimal operator/Driver viewing of the traffic signal. As wire spans are changed to span arms with engineer approval reflective plates will continue to be installed at traffic signals. Wherever possible red light warning signs are placed on both sides of the street for maximum visibility. In some of our intersections, the crosswalk has been enhanced with colored treatment for high visibility. Stop on Red Week was held here in Orlando in front of Lake Eola. The event brought out local citizens, the media, policymakers, and local law enforcement including FHP.

Q31. Has **red light camera footage** been used to **investigate other crimes or cases** not related to red light violations within Orlando ?

Yes

No

Q32. Please describe the **other situations in which red light cameras** have been used within Orlando .  
Select all that apply.

- Crash Investigations
- Criminal Investigations
- Missing Persons
- Other, please specify:

The cameras are used to aid in post-storm analysis when possible.

Q33. Has Orlando **conducted** an independent **red light camera analysis**?

- Yes
- No

Q34. Please provide any additional **specifications or clarifications for any of your responses** to this survey.

The City of Orlando since the inception of the FI Statue, has always been responsible for all administrative camera operations. The camera contractor is only responsible for providing and maintaining the cameras, image processing, and IVR payment processing. Every Notice of Violation and Uniform Traffic Citation is viewed, issued, and mailed out of the City of Orlando. The city handles all incoming and outgoing mail and phone calls. handling all of the front-office and back-office operations shows a commitment to traffic safety and citizen service which builds a long-term positive relationship with the public. This also helps reduce any guessing games and improves the overall citizen's experience. The city has also implemented measures to help reduce the number of Uniform Traffic Citations issued. The State of Florida per statute grants 60 days to pay a (\$158.00) Notice of Violation. The City of Orlando provides an additional 30 days for payment purposes only. For a total of over 90 days to pay the Notice of Violation. Providing an additional 30 days for citizens to pay the violation delays or spreads the payment over time. The citizen can strategically save money and better align their cash flow by delaying payment and spreading it out. Also by providing more time to pay there is a residue effect where the motorist is extra cautious not to run any more red lights since there is already a pending violation. The citizen gets ample time to satisfy the violation leading to a stronger relationship with our citizens. This also means fewer Uniform Traffic Citations (\$262.00) are being issued by the city. The City of Orlando also mails out a Reminder letter after 45 days of a Notice of Violation being issued. The Reminder letter is just what the title implies, a reminder to the citizen to take action regarding payment, transfers, or any affirmative defenses. The letters are costly since it's an added variable expense. But it is beneficial for those citizens that lost or misplaced their original Notice of Violation.

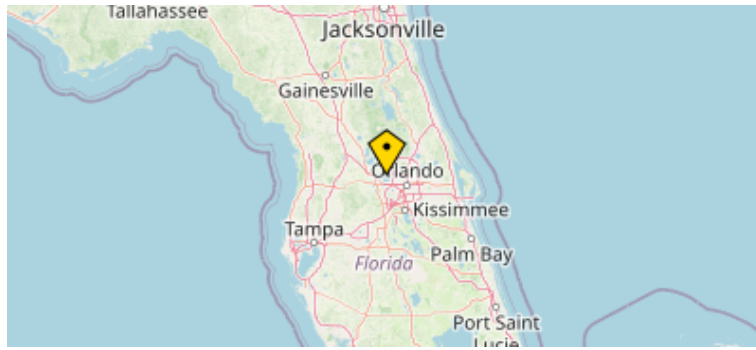

Q35. Is Orlando **continuing its red light camera program** in this fiscal reporting year, **July 1, 2024, through June 30, 2025**?

- Yes
- No

## Osceola County

Q1. Please enter your contact information:

|                                 |                    |
|---------------------------------|--------------------|
| Name:                           | Karen Puri         |
| Agency:                         | Osceola County BCC |
| Email Address:                  | [REDACTED]         |
| Phone Number:                   | [REDACTED]         |
| Phone Extension, if applicable: |                    |

Q2. Please select the jurisdiction (city or county) you represent:

Osceola County ▼

Q3. Did your jurisdiction **operate red light cameras** within the reporting period of **July 1, 2023 through June 30, 2024**?

- Yes  
 No

Q4. What department oversees the red light camera program in Osceola County?

Example: Police Department, Sheriff's Office, Code Enforcement, Traffic Unit, etc.

Transportation Transit

Q5. Did Osceola County **discontinue its red light camera program** during the reporting period, **July 1, 2023 through June 30, 2024**?

- Yes  
 No

Q6. Please enter the date that Osceola County discontinued its program.

*This question was not displayed to the respondent.*

Q7. What **red light camera vendor(s)** does Osceola County use? Please select any you may have used during the reporting period, **July 1, 2023, through June 30, 2024**.

American Traffic Solutions (ATS)

Redflex

Conduent

Sensys Gatso

Novoa Global

Verra Mobility

Redspeed

Other, please specify:

Q8. **As of July 1, 2023**, how many **red light cameras** were operational in Osceola County?

15

Q9. **As of June 30, 2024**, how many **red light cameras** were operational in Osceola County?

15

Q10. **As of July 1, 2023**, at how many **intersections** were red light cameras operational in Osceola County?

9

Q11. **As of June 30, 2024**, at how many **intersections** were red light cameras operational in Osceola County?

9

Q12. Please provide the following information regarding **Notices of Violation** issued for red light camera violations in Osceola County during the reporting period of **July 1, 2023, through June 30, 2024**.

Total Notices of Violation Issued

8547

Notices of Violation Paid

5334

Notices of Violation Contested, but Pending Final Outcome

7

Notices of Violation Contested and Dismissed

4

Notices of Violation Contested and Upheld

17

Notices of Violation that Resulted in Uniform Traffic Citations Being Issued

2075

Notice of Violation Pending Issuance as Uniform Traffic Citations

0

Q13. How many **registration holds** did Osceola County request as a result of red light camera violations during the reporting period of **July 1, 2023, through June 30, 2024**? If you do not know, please leave this field blank.

Q14. How does Osceola County **submit traffic crash data** to the Florida Department of Highway Safety and Motor Vehicles?

- All Electronically
- All Paper
- Both

Q15. Have **court cases** impacted Osceola County's **red light camera program**?

- Yes
- No

Q16. Please explain how court cases have impacted Osceola County's red light camera program.

*This question was not displayed to the respondent.*

Q17. Please **rate** the following **factors by importance** when selecting which **intersections to install red light cameras** in Osceola County.

|                                      | Very Important                   | Somewhat Important               | Not Important                    | N/A                              |

| Law Enforcement Officer Observations | <input type="radio"/>            | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/>            |
| Traffic Volume                       | <input type="radio"/>            | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/>            |
| Pedestrian Safety                    | <input type="radio"/>            | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/>            |
| Traffic Crash Data                   | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/>            | <input type="radio"/>            |
| Other                                | <input type="radio"/>            | <input type="radio"/>            | <input type="radio"/>            | <input checked="" type="radio"/> |

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in Osceola County.

*This question was not displayed to the respondent.*

Q19.

Were any existing red light cameras relocated within Osceola County during the reporting period of **July 1, 2023, through June 30, 2024**?

- Yes
- No

Q20. How many cameras were relocated?

*This question was not displayed to the respondent.*

Q21. Why were the cameras relocated?

*This question was not displayed to the respondent.*

Q22. What **factors** are used to determine the **success or failure of each camera location** within Osceola County? Please select all that apply.

- Number of crashes
- Pedestrian safety
- Revenue
- Other, please specify

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within Osceola County? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q24. Who **reviews contested Notices of Violation** within Osceola County? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q25. Who **issues Uniform Traffic Citations** in Osceola County if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q26. Does Osceola County **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

- Yes
- No

Q27. How many **Notices of Violation** were issued within Osceola County **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?  
If you do not know, please leave this field blank.

275

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by Osceola County when determining if a violation should be issued.**

A red-light running violation occurs when a motorist enters an intersection after the traffic signal has turned red. Motorists already in the intersection when the signal changes to red, waiting to turn for example, are not considered red-light violators.

Q29. What **action(s)** has Osceola County taken **to improve safety measures** as a result of your red light camera program? If Osceola County has not taken an action which is listed, please select N/A.

|                                             | At intersections <b>with</b> red light cameras | At intersections <b>without</b> red light cameras | N/A                                 |

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in Tampa.

*This question was not displayed to the respondent.*

Q19.

Were any existing red light cameras relocated within Tampa during the reporting period of **July 1, 2023, through June 30, 2024**?

- Yes
- No

Q20. How many cameras were relocated?

*This question was not displayed to the respondent.*

Q21. Why were the cameras relocated?

*This question was not displayed to the respondent.*

Q22. What **factors** are used to determine the **success or failure of each camera location** within Tampa? Please select all that apply.

- Number of crashes
- Pedestrian safety
- Revenue
- Other, please specify

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within Tampa? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q24. Who **reviews contested Notices of Violation** within Tampa? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q25. Who **issues Uniform Traffic Citations** in Tampa if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q26. Does Tampa **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

- Yes
- No

Q27. How many **Notices of Violation** were issued within Tampa **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?

If you do not know, please leave this field blank.

3128

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by Tampa when determining if a violation should be issued**.

Making a right turn on red at greater than 15MPH or if there is a pedestrian in close proximity.

Q29. What **action(s)** has Tampa taken **to improve safety measures** as a result of your red light camera program? If Tampa has not taken an action which is listed, please select N/A.

## City of West Park

Q1. Please enter your contact information:

|                                 |                   |
|---------------------------------|-------------------|
| Name:                           | John Wilson       |
| Agency:                         | City of West Park |
| Email Address:                  | [REDACTED]        |
| Phone Number:                   | [REDACTED]        |
| Phone Extension, if applicable: | [REDACTED]        |

Q2. Please select the jurisdiction (city or county) you represent:

West Park ▼

Q3. Did your jurisdiction **operate red light cameras** within the reporting period of **July 1, 2023 through June 30, 2024**?

- Yes  
 No

Q4. What department oversees the red light camera program in West Park?

Example: Police Department, Sheriff's Office, Code Enforcement, Traffic Unit, etc.

Administration

Q5. Did West Park **discontinue its red light camera program** during the reporting period, **July 1, 2023 through June 30, 2024**?

- Yes  
 No

Q6. Please enter the date that West Park discontinued its program.

*This question was not displayed to the respondent.*

Q7. What **red light camera vendor(s)** does West Park use? Please select any you may have used during the reporting period, **July 1, 2023, through June 30, 2024.**

American Traffic Solutions (ATS)

Redflex

Conduent

Sensys Gatso

Novoa Global

Verra Mobility

Redspeed

Other, please specify:

Q8. **As of July 1, 2023**, how many **red light cameras** were operational in West Park?

Q9. **As of June 30, 2024**, how many **red light cameras** were operational in West Park?

Q10. **As of July 1, 2023**, at how many **intersections** were red light cameras operational in West Park?

Q11. **As of June 30, 2024**, at how many **intersections** were red light cameras operational in West Park?

Q12. Please provide the following information regarding **Notices of Violation** issued for red light camera violations in West Park during the reporting period of **July 1, 2023, through June 30, 2024.**

|                                                                              |                                   |
|------------------------------------------------------------------------------|-----------------------------------|
| Total Notices of Violation Issued                                            | <input type="text" value="8773"/> |
| Notices of Violation Paid                                                    | <input type="text" value="3999"/> |
| Notices of Violation Contested, but Pending Final Outcome                    | <input type="text" value="18"/>   |
| Notices of Violation Contested and Dismissed                                 | <input type="text" value="4"/>    |
| Notices of Violation Contested and Upheld                                    | <input type="text" value="42"/>   |
| Notices of Violation that Resulted in Uniform Traffic Citations Being Issued | <input type="text" value="4103"/> |
| Notice of Violation Pending Issuance as Uniform Traffic Citations            | <input type="text" value="0"/>    |

Q13. How many **registration holds** did West Park request as a result of red light camera violations during the reporting period of **July 1, 2023, through June 30, 2024**? If you do not know, please leave this field blank.

Q14. How does West Park **submit traffic crash data** to the Florida Department of Highway Safety and Motor Vehicles?

- All Electronically
- All Paper
- Both

Q15. Have **court cases** impacted West Park's **red light camera program**?

- Yes
- No

Q16. Please explain how court cases have impacted West Park's red light camera program.

*This question was not displayed to the respondent.*

Q17. Please **rate** the following **factors by importance** when selecting which **intersections to install red light cameras** in West Park.

|                                      | Very Important                   | Somewhat Important               | Not Important         | N/A                              |
|--------------------------------------|----------------------------------|----------------------------------|-----------------------|----------------------------------|
| Traffic Citation Data                | <input type="radio"/>            | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/>            |
| Citizen Complaints                   | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/> | <input type="radio"/>            |
| Law Enforcement Officer Observations | <input type="radio"/>            | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/>            |
| Traffic Volume                       | <input type="radio"/>            | <input checked="" type="radio"/> | <input type="radio"/> | <input type="radio"/>            |
| Pedestrian Safety                    | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/> | <input type="radio"/>            |
| Traffic Crash Data                   | <input checked="" type="radio"/> | <input type="radio"/>            | <input type="radio"/> | <input type="radio"/>            |
| Other                                | <input type="radio"/>            | <input type="radio"/>            | <input type="radio"/> | <input checked="" type="radio"/> |

Q18. Please **describe the other factors used** when selecting which **intersections to install red light cameras** in West Park.

*This question was not displayed to the respondent.*

Q19.

Were any existing red light cameras relocated within West Park during the reporting period of **July 1, 2023, through June 30, 2024**?

- Yes
- No

Q20. How many cameras were relocated?

*This question was not displayed to the respondent.*

Q21. Why were the cameras relocated?

*This question was not displayed to the respondent.*

Q22. What **factors** are used to determine the **success or failure of each camera location** within West Park? Please select all that apply.

- Number of crashes
- Pedestrian safety
- Revenue
- Other, please specify

Reduction in the number of violations would indicate success of the program

Q23. Who **reviews** the camera images **before Notices of Violation are issued** within West Park? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q24. Who **reviews contested Notices of Violation** within West Park? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q25. Who **issues Uniform Traffic Citations** in West Park if **Notices of Violation are unpaid and uncontested**? Please select all that apply.

- Law Enforcement Officer
- Non-sworn Government Employee
- Non-sworn Contractor Employee (Vendor)
- Other, please specify

Q26. Does West Park **issue Notices of Violation** (based on red light camera detection) for persons making **improper right turns on a red signal**?

- Yes
- No

Q27. How many **Notices of Violation** were issued within West Park **for improper right turns on a red signal** during the reporting period of **July 1, 2023, through June 30, 2024**?  
If you do not know, please leave this field blank.

*This question was not displayed to the respondent.*

Q28. Section 316.0083(1)(a), Florida Statutes, provides that, "A notice of violation and a traffic citation may not be issued for failure to stop at a red light if the driver is making a right-hand turn in a **careful and prudent manner** at an intersection where right-hand turns are permissible."

Please provide the **definition used by West Park when determining if a violation s** **Page 293 of 304**

Q29. What **action(s)** has West Park taken **to improve safety measures** as a result of your red light camera program? If West Park has not taken an action which is listed, please select N/A.

|                                             | At intersections <b>with</b> red light cameras | At intersections <b>without</b> red light cameras | N/A                                 |
