

2005 ANNUAL REPORT
UNIFORM TRAFFIC CITATION STATISTICS

This publication is issued by the DHSMV, Division of Driver Licenses, Bureau of Records, to all Florida Law Enforcement Agencies, County Judges and Clerks of Court annually to provide state and local Government with an accurate measurement of the total enforcement picture, such as where traffic laws are enforced and how they are being treated in the courts. This mass volume of data was made possible only with the splendid cooperation of some 427 local, county and state enforcement agencies reporting violations and 67 County Clerks of Court reporting dispositions.
